

NAVY FENCERS GAIN FINAL IN 3 WEAPONS

Win 40 of 51 Bouts in Southern
Division — Penn Qualifies
With Foils and Epee.

Special to The New York Times.

ANNAPOLIS, Md., March 19.—The Naval Academy, winning forty bouts of the fifty-one in which it engaged with foil, sabre and epee, qualified with all three weapons in the preliminaries of the Southern Division of the Intercollegiate Fencing Association here today for the team finals at New York City next month.

Pennsylvania, which tied the Navy with epee, was second in the foils and will enter the finals in those weapons. Syracuse, second with the sabre, qualified in that division. N. Y. U. failed to qualify.

The victory of the Navy with foils and sabres was overwhelming, the Midshipmen doing better work with those weapons than in any match this season.

The work of Zahm and Overfelt, Navy, with the foils; Kneupfer, Navy, and Dutton, Syracuse, with the sabre; and Geiger, Navy, Leslie, Penn, and Jaeckel, Princeton, with the epee, stood out.
