WEST POINT, March 25.—In the first two matches of the semi-final fencing bouts between colleges representing the central division of the Intercollegiate Fencing Association, Army swordsmen won and lost today. The Cadets defeated Ohio State, competing in the intercollegiates for the first time this year, by a score of 7 to 2, but lost to Dartmouth in a closely contested match, 5 to 4.

Cornell and Hamilton are the other colleges here for the two days' engagements. All five colleges will try to qualify individuals and teams in three weapons, foils, épée and sabres, for the association finals, to be held in New York next month.
