Special to The New York Times.
ANNAPOLIS, Md., March 21.—Princeton and Navy proved outstanding in the semi-finals of the Southern Division of the Intercollegiate Fencing Association which were held here today, the former placing in all three weapons, while Navy was first in foils and épée. The other team to qualify for the finals in New York was Columbia, in the saber.

Steere, Navy fencer, made a brilliant showing in the foils and épée, winning all of his bouts in the former weapon, while losing only to Skrobisch of Columbia, and Neary of Princeton, in the latter.

The other individual stars were Ellis of Navy, who was second in the foils and épée, and Dimitrijevic, Navy, and Gulbranson, Columbia, in the saber.

Although Princeton was second in all three events, the Navy team made the best record as a whole, winning nine engagements, losing one and tying two, while Princeton won six, lost five and tied four.
